The scores of competitors who fail to supply correct numbers may not be counted toward year-end awards (see CDS Omnibus).

SCORED TESTS will only be distributed to riders, or their authorized representatives, after the results have been finalized for the class and the awards presented.

READING TESTS: Reading tests is perfectly acceptable at our shows. However, we want to make sure everyone is safe and this includes our readers as well as our riders. After a few narrow misses with exuberant horses, we've decided that readers should be a MINIMUM of 6 feet away from any perimeter of the dressage court. Readers may stand near "E" or "B," but if two courts are present then the reader should stand OUTSIDE the fence as to be at least 6 feet away from the perimeter of the court.

NUMBER OF TESTS: Horses may compete in no more than one Recognized Competition on the same day(s) and are limited to a maximum of three Dressage rides per day at Fourth Level and below or two Dressage rides per day above Fourth Level. Dressage Seat Equitation and Materiale classes are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition.

RIDE TIMES: Ride times will be available on the Chapter website (www.cdspomonachapter.org) or at <https://foxvillage.com/> by the Wednesday of the week of the show. Please call Show Management for times if you are unable to access the website. Ride times will also be posted on the show grounds at the show office during the show. Be sure to check your times at the show office on the morning of the show to make sure nothing has changed.

RIBBONS & AWARDS: In each class, the first place winner will receive an award. Ribbons are given first to fifth place.

JUDGES: If for any reason a judge fails to attend the show or to perform his duties, the Horse Show Management reserves the right to substitute a judge of the same or higher rating for one who was officially designated in the Premium.

JUNIORS: All minors/juniors must be supervised by their parent/guardian or authorized agent while at or on the show grounds, whether riding or on foot. USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

The complete set of Standing Rules can be found on our website at www.cdspomonachapter.org. It takes a lot of time and energy to run our horse shows and keep our Chapter humming! These changes will increase membership involvement in the day-to-day running of the Chapter and give each competitor a fair opportunity for an award.

Thank you for your support and good luck in 2024!!

SHARON CARPENTER-POMONA CHAPTER SCHOLARSHIP FUND

The Sharon Carpenter-Pomona Chapter Scholarship was started to honor the life of Sharon Carpenter after her death in September 2006 following her long battle with cancer. Sharon's fierce determination to live became evident to all who knew her. As well as her determination to defy the cancer at every turn, Sharon never lost her dedication to her horses or her ability to see the possibilities of overcoming challenges. The phrase "I can't" was never an option for her. As a CDS Pomona Chapter member, Sharon celebrated the successes of her Dutch Warmblood, Salute, during his first show season. Sharon took every opportunity to ride Salute and enjoy all of the pleasures of being near her horses. Sharon was also an amazing volunteer for Children's Hospital of Orange County and several other charities. The criteria for receiving the scholarship are based upon Sharon's goals and commitments of loving and learning with her horses while also giving back to people through volunteer work at multiple charities.

The Sharon Carpenter-Pomona Chapter scholarship is intended for Pomona Chapter members, over the age of 21, who have shown training level or above within the last three years and also contributed to the chapter as a volunteer within the last three years.

Each year, the interest from the scholarship fund will be given out in increments of \$500. If the amount of interest allows, more than one scholarship will be awarded. Chapter members have to send in their applications to the scholarship committee by April of each year. Application can be found on the CDS and the Pomona Chapter websites.
