

Pomona Chapter Youth Dressage Team

I would like to introduce you to the Pomona Chapter of the California Dressage Society (CDS), youth team. Our youth team works very hard training and competing throughout the year working to get ready for the State Championship show in September, 2011.

Dressage is the fastest growing equestrian sport in the United States and the Pomona Chapter is one of the most active chapters in the state of California. Our focus is to promote dressage to other equestrian youths, to raise money for educational events, clinics, lectures and other like activities.

Educating our youth and the public is the chapter's number one priority, as well as making sure all of our youth equestrians have equal financial opportunity to participate in educational events and the junior year-end state championship dressage show.

We are asking that you thoughtfully consider becoming a sponsor to help us develop the positive attributes of character, responsibility, and a healthy competitive spirit in our young riders.

All sponsors will receive recognition on our award-winning website, www.cdspomonachapter.org. Additionally, sponsors information will be announced and/or displayed at all CDS Pomona Chapter show for the 2011 competition season.

Thank You For Your Support!
